EMPLOYMENT, CONFIDENTIAL INFORMATION AND INVENTION ASSIGNMENT
AGREEMENT

As a condition of my employment with Epogy Communications, Inc., its subsidiaries, affiliates, successors or assigns (collectively, the "Company"), and in consideration of my employment with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I hereby acknowledge and agree that:

1. **At-Will Employment.** I UNDERSTAND AND ACKNOWLEDGE THAT MY EMPLOYMENT WITH THE COMPANY IS FOR NO SPECIFIC TERM AND CONSTITUTES "AT-WILL" EMPLOYMENT. I ALSO UNDERSTAND THAT ANY REPRESENTATION TO THE CONTRARY IS UNAUTHORIZED, INVALID, AND CANNOT BE RELIED UPON BY ME UNLESS OBTAINED IN WRITING AND SIGNED BY THE CHIEF EXECUTIVE OFFICER OF THE COMPANY. I FURTHER UNDERSTAND AND ACKNOWLEDGE THAT I MAY BE TERMINATED BY THE COMPANY AT ANY TIME, WITH OR WITHOUT GOOD CAUSE OR FOR ANY OR NO CAUSE, AT THE OPTION OF EITHER THE COMPANY OR MYSELF, WITH OR WITHOUT NOTICE. DURING MY PERIOD OF EMPLOYMENT BY THE COMPANY, I WILL DEVOTE MY BEST EFFORTS TO THE INTERESTS OF THE COMPANY AND WILL NOT ENGAGE IN OTHER EMPLOYMENT OR IN ANY BUSINESS ACTIVITIES DETERMINED BY THE COMPANY TO BE DETRIMENTAL TO THE BEST INTERESTS OF THE COMPANY WITHOUT THE PRIOR WRITTEN CONSENT OF THE CHIEF EXECUTIVE OFFICER OF THE COMPANY. I ALSO AGREE TO PERFORM FOR THE COMPANY SUCH DUTIES AS MAY BE DESIGNATED BY THE COMPANY FROM TIME TO TIME.

2. **Prior Work.** All previous work done by me for the Company relating in any way to the conception, design, development or support of products for the Company is the property of the Company.

- (b) Applicable to the business of any client or customer of the Company, which may be made known to me by the Company or by any client or customer of the Company, or learned by me in such context during the period of my employment.

All of such information has commercial value in the business in which Company is engaged and is hereinafter called "Company Proprietary Information." By way of illustration, but not limitation, Company Proprietary Information includes any and all technical and non-technical information including patent, copyright, trade secret, and proprietary information, techniques, sketches, drawings, models, inventions, know-how, processes, apparatus,

"Third Party Proprietary Information" means proprietary or confidential information of any third party who may disclose such information to Company or me in the course of Company's business. Company Proprietary Information and Third Party Proprietary Information are hereinafter collectively referred to as "Proprietary Information."

4. Nondisclosure of Proprietary Information. All Proprietary Information is the sole property of the Company, its assigns, and its customers and the Company, its assigns and its customers shall be the sole owner of all patents, copyrights, maskworks, trade secrets and other rights in connection therewith. I hereby assign to the Company any rights I may have or acquire in Company Proprietary Information. At all times, both during my employment by the Company and after its termination, I will keep in confidence and trust all Proprietary Information, and I will not use or disclose any Proprietary Information or anything directly relating to it without the written consent of the Company, except as may be necessary in the ordinary course of performing my duties as an employee of the Company. Notwithstanding the foregoing, it is understood that, at all such times, I am free to use information which is generally known in the trade or industry not as a result of a breach of this Agreement and my own skill, knowledge, know-how and experience to whatever extent and in whatever way I wish provided that such use does not result in the disclosure of Company Proprietary Information or the direct or indirect infringement of any intellectual property right now owned or hereafter acquired by the Company.

5. Return of Materials. Upon termination of my employment or at the request of the Company before termination, I will deliver to the Company all written and tangible material in my possession incorporating the Proprietary Information or otherwise relating to the Company's business. I have identified on Exhibit A ("Prior Inventions") attached hereto all Inventions relating in any way to the Company's business or demonstrably anticipated research and development which were made by me prior to my employment with the Company ("Prior Inventions"), and I represent that such list is complete. I represent that I have no rights in any such Inventions other than those Prior Inventions specified in Exhibit A ("Prior Inventions"). If there is no such list on Exhibit A ("Prior Inventions"), I represent that I have made no such Prior Inventions at the time of signing this Agreement.

8. Ownership of Company Inventions; License of Prior Inventions. I hereby assign and agree to assign to the Company or its designee, my entire right, title, and interest in and to all Inventions ("Company Inventions") and any associated intellectual property rights which I may solely or jointly conceive, develop or reduce to practice during the period of my

employment with the Company (a) which relate at the time of conception or reduction to practice of the invention to the Company's business or actual or demonstrably anticipated research or development, or (b) which were developed on any amount of the Company's time or with the use of any of the Company's equipment, supplies, facilities or trade secret information, or (c) which resulted from any work I performed for the Company. I hereby agree promptly to disclose and describe to the Company any and all potentially patentable Company Inventions. I agree to grant the Company or its designees a royalty free, irrevocable, worldwide license (with rights to sublicense through multiple tiers of distribution) to practice all applicable patent, copyright and other intellectual property rights relating to any Prior Inventions which I incorporate, or permit to be incorporated, in any Company Inventions without the prior written consent of the Company. Notwithstanding the foregoing, I agree that I will not incorporate, or permit to be incorporated, such Prior Inventions in any Company Inventions without Company's prior written consent.

I also hereby forever waive and agree never to assert any and all Moral Rights I may have in or with respect to any Company Invention, even after termination of my work on behalf of the Company. "Moral Rights" mean any rights to claim authorship of an invention to object to or prevent the modification of any invention, or to withdraw from circulation or control the publication or distribution of any invention, and any similar right, existing under judicial or statutory law of any country in the world; or under any treaty, regardless of whether or not such right is denominated or generally referred to as a "moral right."

11. Cooperation in Perfecting Rights to Inventions.

(a) I agree to perform, during and after my employment, all acts deemed necessary or desirable by the Company to permit and assist it, at its expense, in obtaining and enforcing the full benefits, enjoyment, rights and title throughout the world in the Inventions hereby assigned to the Company. Such acts may include, but are not limited to, execution of documents and assistance or cooperation in the registration and enforcement of applicable patents, copyrights, maskworks or other legal proceedings.

(b) In the event that the Company is unable after reasonable efforts to secure my signature to any document required to apply for or execute any patent, copyright, maskwork or other applications with respect to any Company Inventions (including improvements, renewals, extensions, continuations, divisions or continuations in part thereof), I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agents and attorneys-in-fact to act for and on my behalf to execute and file any such application and to do all other lawfully permitted acts to further the prosecution and

issuance of patents, copyrights, maskworks or other rights thereon with the same legal force and effect as if executed by me.

I am not a party to any other agreement which will interfere with my full compliance with this Agreement. I agree not to enter into any agreement, whether written or oral, in conflict with the provisions of this Agreement.

13. Survival. This Agreement (a) shall survive my employment by the Company, (b) does not in any way restrict my right or the right of the Company to terminate my employment at any time, for any reason or for no reason, (c) inures to the benefit of successors and assigns of the Company, and (d) is binding upon my heirs and legal representatives.

receipt; or (v) by electronic mail to an officer of the Company upon receipt of a return electronic mail from such officer acknowledging my electronic mail. Notice shall be sent to the addresses set forth above or such other address as either party may specify in writing.

20. Governing Law. This Agreement shall be governed in all respects by the laws of the United States of America and by the laws of the State of California, as such laws are applied to agreements entered into and to be performed entirely within California between California residents.

21. Severability. Should any provisions of this Agreement be held by a court of law to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby.

22. Waiver. The waiver by the Company of a breach of any provision of this Agreement by me shall not operate or be construed as a waiver of any other or subsequent breach by me.

23. Assignment by Company. The term "Company" shall mean Epogy Comminations, Inc, a California corporation (or any subsidiary thereof). INTELLECTUAL PROPERTY PURCHASE AGREEMENT

This Intellectual Property Purchase Agreement ("Agreement"), effective as of January 15, 2003, is made by and between Epogy Communications, Inc. ("Epogy") having a place of business at 1271 Oakmead Parkway Sunnyvale, CA 94085, and J. Nicholas Gross ("Purchaser"), an individual having a mailing address of 3883 18th Street, San Francisco, California 94114.

RECITALS

- A. Whereas Epogy intends to cease business and wind down operations immediately as a result of a lack of continued funding from investors and shareholders;
- B. Epogy has certain financial obligations associated with closing its business for which it desires to secure sufficient monies to help pay off such obligations;
- C. Epogy owns certain intellectual property assets, including patents, applications, inventions and other know-how detailed below;
- D. The intellectual property of Epogy, with very limited exceptions, is primarily in an unrealized, unactualized state requiring a significant additional investment of legal fees and filing costs to develop into protectable form;
- E. Epogy's investors, including its shareholders, have been consulted and are unwilling to invest additional fees and costs to sustain, preserve or actualize the value of the intellectual property assets;
- F. Epogy's Board of Directors, shareholders and officers believe it is in the best interests of Epogy to dispose of certain assets owned by Epogy, including intellectual property and other assets to secure monies sufficient to pay off any remaining obligations;
- G. Epogy has attempted to procure a purchaser of the intellectual property assets over the course of the past year but has been unsuccessful to date;
- H. Time is of the essence because Epogy must cease operations immediately, and accordingly Epogy has determined that the nature of the assets to be sold is such that an undue delay associated with conducting an extensive marketing of the assets will diminish the value of such assets, and/or be impractical;

THEREFORE, the parties agree:

- 1) Definitions. As used in this Agreement:
 - (a) "Assets" means all of Epogy's right, title, and interest in any Assignment Agreements, Patent Files, Patents, Intellectual Property and Supporting Documentation.
